DIAKON ADOPTION & FOSTER CARE'S 2024 Online Information Sessions

Diakon Adoption & Foster Care's online information sessions provide the opportunity for families to receive an overview of such topics as...

- **What Diakon offers to families.**
- **Information about the children and families involved in the foster-care system.**
- **The responsibilities and steps related to becoming a foster or adoptive parent**

The information session can help you make a decision whether you are comfortable taking the next steps to become a licensed Diakon foster family. Sessions are offered without obligation; participants are not required to proceed following the presentation.

Please register to receive the Zoom link by emailing recruitment@diakon.org.
