

Diakon Volunteer Home Care

Greater Berks Region

Diakon Volunteer Home Care—or **DVHC**—provides non-medical assistance to those in your community who are age 60 and above. This community outreach is about caring and supporting our neighbors in need. Currently, the greatest challenge is the need for volunteers to assist with transportation.

“The most difficult thing is having to tell someone that there is no volunteer available to help them,” says Jessica Schulte, service coordinator. DVHC does not want to turn down the requests of our senior neighbors who need assistance with getting to medical appointments or to shop for groceries.

A few comments from our volunteers:

“It’s a one-of-a-kind job with rewards.”

—JOYCE M.

“It’s a great way to show Christian love.”

—DOROTHY W.

“Volunteering gives me the opportunity to be helpful to others; actually, I benefit as much as the recipient of my service. There is no better feeling than knowing that you have put a smile on someone’s face or helped to lighten a burden. Try it, you’ll like it!”

—GRACE K.

You can volunteer as it fits your schedule. Please help to make a difference in the lives of your neighbors. For more information about the benefits of volunteering with Diakon Volunteer Home Care, please call us today.
