Your Gift Can Change Lives!

As we approach the holiday season, there's no better time to reflect on the power of generosity and the impact we can make together. This Giving Tuesday, we're kicking off our End-of-Year Giving Campaign with one goal in mind: to bring hope and support to those who need it most.

Why Your Gift Matters

At Diakon, we've dedicated over 155 years to helping families, children, individuals, and seniors overcome obstacles, find stability, and thrive in their communities. Your generous support allows us to continue this vital work, providing critical services like foster care and adoption, family reunification and preservation, at-risk youth programs, community-based services for seniors, and mental health counseling for people of all ages.

Make This Season Brighter by Helping Someone in Need

At Diakon in 2023, we delivered nearly 125,000 meals to homebound seniors, completed over 250 daily foster care placements, celebrated almost 100 adoption finalizations, provided more than 1,000 young people with a second chance at a brighter future, and so much more. With your help, we can continue to change lives.

Your generosity is a lifeline for so many. By partnering with dedicated donors, we can help ensure that every person in our community has access to the support they need—whether it's through family preservation, emergency services, foster or kinship care, mental health counseling or programs to help youth and seniors.

Together, we can give the gift of
HOPE to those who need it most.
