Success Story

"Being here at Center Point helped me a lot. If I hadn't come here, I would never have finished school, because of my decisions in the past. I learned a lot about who I am while here this year and even what I want to do in the future. I've never enjoyed going to school, but I enjoy every day I'm here. Center Point has helped me more than anything."

— Nashawn Beard, 12th grade

Build up... or be quiet!

Diakon Youth Services has made available a variety of shirts and sweatshirts that reflect one of our program emphases on being positive: #BBQ, or Build Up or Be Quiet! These shirts were provided over the last few years for students and staff members and were a big hit, with others more recently asking how they could obtain one.

As a result, we have arranged for Artistic Imprints to provide these items, which will be shipped directly to you at no extra cost. Details can be found at the storefront link below. The best thing is that all proceeds directly benefit Diakon Youth Services programs!
